SUMMARY

Accomplished leader and recent Computer Science graduate offering a strong foundation in software development, leadership, and military operations. Excels at quickly learning and applying new technologies to complex problems. Excellent team-member with the flexibility to both lead and follow and a demonstrated commitment to providing timely and cost effective results. Seeking to leverage leadership and technical skills to ensure the delivery of high quality software applications. I'm available for work mid July 2020.

EDUCATION

- MS, Systems Engineering, Naval Postgraduate School 15 Jun 2007
- BS, Computer Science, Oregon State University 13 Dec 2019
- BS, Physics, Alabama A&M University 12 Dec 1997

SKILLS

Scrum • Leadership • Software Development • Software Lifecycle • Web Development • Military Operations • Python • C++ • C • Javascript • Java • Postman • Node.js • Angular

INTERNSHIP**Leidos Internal Research and Development (IRAD) Program 2020**

Wrote front-end code for a Web-based prototype of a Geospatial Intelligence Imagery Software Application. Focused on designing the display of relevant information for consumption by intelligence analysts. Refactored elements of the code base to allow for storing logging data in AWS S3 Buckets.

Skills: Angular, Typescript, Agile Scrum, Object Oriented Design, AWS, Java, Log4J

STUDENT PROJECT**2019**

Wrote front-end and back-end code for a meeting scheduling application for Oregon State University students, faculty, and staff. The application was powered by a Node.js web server running an Express application. Pages were constructed server-side using handlebars templates before being delivered to the client via the Heroku cloud hosting platform. The application was designed using a Model Views Controller (MVC) architecture.

Skills: Node.js, Git Version Control, Relational Databases, Authentication

WORK EXPERIENCE**Deputy Chief of Mobilizations****June 2018 - Present****HQDA G-3/5/7, Pentagon**

- Developed the process for capturing, measuring and visualizing the preparedness of army installations to train and prepare reservists and guardsmen for deployments.
- Collaborated with Army Staff throughout the Pentagon and army subordinate commands to develop funding requirements and solutions for installations designated to support the mobilization of reservists and guardsmen.

Senior Faculty**April 2015 - May 2018****Department of Mathematical Sciences,****United States Military Academy, West Point, NY**

- Taught Calculus and served as the Course Director for Linear Algebra, implementing curriculum in support of STEM majors throughout the academy.

Deputy Commanding Officer**May 2014 - March 2015****41st Fires Brigade, Fort Hood, TX**

- Provided training oversight and ensured the combat readiness, safety, discipline, morale, welfare, and fitness of 286 Soldiers assigned to the Brigade's Separate Batteries.

Battalion Executive Officer/Brigade Liaison Officer**October 2011 - May****2014****1-21 Field Artillery Brigade, Fort Hood, TX**

- Provided oversight of all logistical functions for a 450 person battalion.
- Managed a \$1.2 million annual operating budget.
- Developed courses of action that enabled the brigade to optimize training while saving the brigade over \$2M dollars during a period when the budget was reduced by 40%.

Stability Transition Team Intelligence Advisor**June 2010 - October 2011****Baghdad, Iraq**

- Spearheaded Intelligence collaboration between the 9th Iraqi Armored Division (IAD), 1-18 Infantry Battalion and US Army Special Forces, resulting in the development of combined targeting efforts.
- Influenced improvements to the 9IAD's targeting processes, resulting in the development of a High Value Target List, a dedicated Iraqi tactical forensic team, and the use of predictive analysis using Microsoft Excel.
- Assisted the Iraqis with the collection and processing of 317 pieces of evidence for submission to forensic labs resulting in the capture of an assassination network.

TRAINING AND CERTIFICATION

- Certified ScrumMaster (CSM)
- Top Secret/Sensitive Compartmented Information Clearance
